Student Worker: Lead workshops using Adobe Suite, Canva, WordPress, and Affinity Suite. Coordinate events on campus, and edit headshots for Linkedin and websites.

Student Peer Research Consultant **12/2022-04/2023**
Student Worker: Managed interpersonal conflicts; conducted safety and maintenance checks; planned events; led monthly community meetings; collaborated with other staff to create meaningful connections.

Resident Advisor **08/2024-05/2025**
Handle delicate interpersonal conflicts, conducted routine maintenance checks, provides safe environment for residents, participated in events/planned events, performed routine safety rounds and monthly community meetings.

Education:

Bridgewater College **08/2023-Present**
Bachelor of Arts, Art Department, Game Design, Minor in Professional Writing.
Cumulative GPA: 3.5

Blue Ridge Community College **08/2021-06/2023**
Supplemental collegiate course during my high school career.

Skills:

Blender
I am familiar with Blender interface, have used it for various tasks including work for Game Design Studio. Emphasis on low poly rendering, blocking, and sculpting out characters.

Illustration
Published visual storytelling through detailed illustrations including character and background design, sketching, line art, and digital drawings.

Graphic Design
Proficient in Adobe Photoshop, Illustrator, InDesign, and the Affinity Suite to craft engaging designs for logos, typography layouts, menus, and marketing materials, with clean and impactful visuals.

Character Concept Art
I have developed and created multiple character concept arts demonstrating front and back layouts, close ups, and characters in different poses. Created using Photoshop, Procreate, and ClipStudio.

Research and Honors

Research Experience at Bridgewater College (TREB) - Grant research in exploring Game Design using indie platform Godot.
Virginia Government Simulation Press Award 2024.
Sigma Tau Delta: International English Honor Society - Vice President.
